Sec. 2-41. Definitions.

As used in this article, unless the context indicates otherwise, the following terms have the following meanings:

Commission means the Portland land bank commission established pursuant to section 2-42.

Land bank means property interests of the types provided in section 2-43(a) which are purchased, acquired or dedicated for the conservation and open space purposes hereunder.

Land bank fund means the fund established hereunder for the purchase of property interests for the conservation and open space purposes hereunder or for making grants or loans for such purposes.

(Substitute Ord. No. 233, § 1, 4-5-99)

Sec. 2-42. Commission Established.

(a) *Findings.* The City Council hereby finds that:

1. There is a need to balance development within the municipality with conservation of open space important for wildlife, ecological, environmental, scenic or outdoor recreational values;

2. there are insufficient financial resources currently in place to plan for, and acquire significant open space lands or easements which are or may become available within the municipality or in adjoining buffer areas; and
3. there is a need to supplement the city's open space conservation efforts, without duplicating the efforts of other public and private groups including the Portland Planning Board, Portland Trails and the Friends of the Parks.

Therefore, in order to ensure the conservation and preservation of limited open space with important wildlife, ecological, environmental, scenic or outdoor recreational values, there is hereby established a Portland Land Bank Commission, Portland Land Bank and a Portland Land Bank Fund.

(b) *Purposes.* It shall be the purpose of the commission to:

1. work for the acquisition and conservation of open space within the City, as defined in §2-43(a) below;
2. cooperate with other agencies and parties on wetlands mitigation projects;
3. recommend on a priority basis the acquisition of various interests in real estate in order to effectuate the goals of this article;
4. accept gifts and funds from both private and public sources and to disburse such funds in accordance with the commission's approved budget for the purposes hereunder;
5. act as a liaison to other public and private nonprofit agencies involved in planning, acquisition, disposition, and management of conservation and open space land within the municipality; and
6. recommend an annual budget to the City Manager and City Council to carry out its purposes.

(c) *Appointment of commission.* The Portland Land Bank Commission shall consist of and be administered by nine (9) persons appointed by the City Council for staggered three-year terms. Except as provided below for non-voting members, the members must be legal residents of the municipality and shall serve without compensation. One member of the commission shall be appointed from the City Council. Neither a municipal employee nor member of the Planning Board or Board of Appeals may be a member of the

commission. To the extent feasible, representation on the board shall be diversified, including without limitation, members representing environmental or conservation interests, economic development, business and financial interests, and the public generally. There shall be a resident from each of the City Council districts on the commission.

(d) *Non-voting members.* In addition to the nine voting members, the Board of Directors of Portland Trails and of Maine Audubon Society shall each appoint one person from each of their memberships to serve as non-voting members of the commission for three (3) year terms. The only eligibility requirement for appointment to the non-voting positions shall be membership in the respective group which they represent. Such non-voting members shall serve at the pleasure of their appointing Board of Directors.

(e) *Vacancies.* In the event of a permanent vacancy in the voting members, the City Council shall, within 120 days of its occurrence, appoint a person to serve for the unexpired term.

(f) *Removal.* Voting members of the commission may be removed by the City Council for cause, after notice and hearing. Without limiting the foregoing, excessive absences from regularly scheduled meetings shall be considered cause for removal.

(g) *Organization of commission.* The commission shall annually elect a chair, a secretary and a treasurer from among its voting members and shall adopt reasonable rules for the conduct of its meetings, which rules shall include provisions for public comment substantially the same as those provided by City Council rules for standing council committees. The decisions of the commission shall be by majority vote of those present and voting and no business may be transacted without a majority of the voting members present; provided, however, five (5) votes shall always be required to authorize a grant or loan for acquisition of, or to recommend to the council the disposition of, any property interest acquired or disposed of hereunder. The Commission shall keep accurate records of its meetings and actions and shall file an annual report with the City Manager.

(h) *Powers and duties of commission.* The Commission:

1. Shall file annually with the City Council a registry of all open space of the types in section 2-43(a), publicly or privately owned, located within the city or abutting the City as potential buffer areas, for the purpose of providing information pertinent to property utilization, protection, development or use of such open space. The registry must show all property interests then currently

held by the city, including a description of the use of those interests and all acquisitions, improvements or dispositions of all property interests held by the city at any time during the year preceding each filing. The commission shall determine and list in the registry the open space lands which meet the criteria in section 2-43(a) and which have significant value for preservation through the land bank, and those which are of lesser or no value for preservation and those which are more appropriate for other uses. The foregoing determinations shall include a prioritized list of any recommended acquisitions for the Land Bank, as well as the commission's rationale for its determinations. The commission shall actively seek comments on the proposed registry from the Planning Board, Friends of the Parks, city departments, and the general public at a public hearing prior to adopting the registry or revision to the registry and forwarding it to the council for review. Said registry or revision thereto shall be subject to the approval of the City Council;

2. May solicit and recommend to the City Council the acceptance of gifts of any real property interests or of funds to further the conservation and open space goals of this article;
3. May recommend to the City Council the disposition of all or any portion of the property interests listed in the registry and held by the city; may review any proposed disposition of city tax-acquired property interests and make its own recommendations thereon to the City's tax acquired property committee, council committees and/or the City Council;
4. May obtain such professional services as are necessary in order to perform its duties, including development and updating of the Commission's registry, provided, however, to the extent possible, City staff shall assist the Commission;
5. May act as a liaison for the activities of public and private conservation bodies organized for similar purposes;
6. May make recommendations to, and participate with, the city and other agencies and parties in regard to wetlands mitigation plans and projects;
7. May apply for federal, state and local funds for which it

may be eligible, subject to the approval of the City Council;

8. May advertise, prepare, print and distribute books, maps, charts, plans and pamphlets which in its judgment it deems necessary; and
9. Shall submit to the City Manager annually an operating and capital budget for all expenses and projects of the Commission, which shall include a separate budget for expenditures from the Land Bank fund, which expenditures will be limited to the purposes for which this fund is dedicated. Commission expenditures shall not exceed its annual operating and capital budget, unless otherwise amended by the City Council.

(Substitute Ord. No. 233-99, §1, 4-5-99)

7. Other acts or uses detrimental to the cultural, natural, scenic or open condition of the land or water areas.

(c) *Disposition of property interests.* Any request to use, improve or dispose of any property interest in the Land Bank in a manner otherwise prohibited by this article shall become effective only after review and recommendation thereon by the commission and approval of six (6) members of the City Council; provided, however, such use, improvement or disposition must be legally consistent with the terms of any gift or grant of funds or property which was used for the acquisition of that property interest. Nothing herein is intended, nor shall it be deemed, to prevent or prohibit the sale or development of all or a portion of any property interest purchased with land bank funds to the extent legally consistent with the terms of its acquisition and approved by six (6) members of the City Council; provided, however, that the fund shall be reimbursed all of its costs and expenses for such purchase from such sale or development, including without limitation the purchase price, or pro rata share thereof, of the property interest.

(c) *Land bank property management.* The Commission may expend land bank funds for administration, maintenance, management and limited capital improvement of land bank property, provided, however, such expenditures shall not exceed 10% of the commission's budget without a 2/3 vote of the commission and approval by the City Council.

(d) *Payments; records.* All expenses lawfully incurred carrying out this article must be evidenced by proper vouchers and shall be paid by the City only upon submission of records duly approved by the commission and in a form satisfactory to the City's Finance Director. No person shall make any false statement, certificate, mark, rating or report with respect to any test, certification or appointment made under any provisions of this article, or in any manner commit or attempt to commit any fraud preventing the impartial execution of this article and the rules and the regulations adopted hereunder, or to cheat, or attempt to cheat, or abet cheating on any examination.

(d) *Bribery*. No person shall directly or indirectly give, render, pay, offer, solicit, or accept any money, service, or other valuable consideration for or on account of any appointment, proposed appointment, promotion, or proposed promotion to, or any advantage in a position, or in an examination for a position, in the departments.

(a) *In general*. This division shall govern the appointment, reinstatement, promotion, demotion, layoff, suspension, resignation, or removal of members of the fire and police departments of the city, other than the chiefs thereof, except to the extent that the Maine Public Employees Labor Relations Law and any collective bargaining agreement made in accordance therewith provides to the contrary.

(b) *Duties*. In addition to carrying out the duties described elsewhere in this article, it shall be the duty of the employment subcommittee:

- (1) To establish a system of personnel administration for members of the departments based on competition, merit

principles, and scientific methods, and to prevent unlawful discrimination based upon race, color, age, religion, sex, sexual orientation, physical or mental disability, ancestry, national origin, veteran's status or political affiliation;

- (2) To provide the City Manager with lists of names of persons eligible for specific appointments;
- (3) To make suitable rules, from time to time, which rules shall not be inconsistent with this article, applicable statutes, or regulations. Proposed rules shall be submitted to the City Manager and shall become effective when approved by the City Manager. All such rules shall be recorded in the office of the City Clerk; and
- (4) To request and review reports of the chiefs of the police and fire departments detailing the departmental rules and regulations relating to physical fitness of members. When, and if, the commission determines that such rules and regulations are inadequate to ensure the physical fitness of either department, it shall report such inadequacy and make recommendation for improvement therein to the City Council.

(Code 1968, § 201.2; Ord. No. 89-80, 7-7-80; Ord. No. 299-86, § 1-22-86; Ord. No. 117-95, 11-20-95; Ord. No. 184-97, 1-22-97; Ord. No. 174-05/06, 3-6-06)

Sec. 2-59. Minimum qualifications for appointments.

(a) *Standards required.* All candidates for appointment shall meet the minimum requirements set forth in this section and any additional requirements set forth hereafter or in the rules of the employment subcommittee not inconsistent herewith.

(b) *Original appointments:*

- (1) *Good character.* Each candidate for original appointment shall be of good moral character and shall in all cases bear the burden of proof as to this requirement. No person shall be appointed who has a history which includes a disqualifying criminal conviction.
- (2) *Education and experience.* Applicants must have a high school diploma or equivalency degree and have either: three (3) years of post-high school employment experience(s) or three (3) years of education in a post-high school program at a school, college, or university; or any combination of post-high school employment experience and post-high school education totaling three (3) years.

- a. Police applicants. To the extent and in the manner required by subcommittee rule, applicants for police original appointment shall submit evidence of passing the ALERT test.
 - b. Fire applicants. Applicants who wish to be considered for the position of firefighter/paramedic must be certified as a paramedic prior to being sent to the department on an eligible list and must be licensable as a paramedic in the State of Maine prior to appointment. An applicant may notify the Director of Human Resources that he or she is certified as a paramedic after placement upon an eligible list so that he or she may be considered for either a firefighter or firefighter/paramedic vacancy for the life of that list.
- (3) *Motor vehicle driver's license.* Each candidate for original appointment shall possess a valid motor vehicle driver's license. If such license is from a state other than the State of Maine, the candidate must not be disqualified from issuance of a State of Maine driver's license.
- (4) *Health.* Candidates for original appointment shall be in good health and shall be subject to a fitness assessment, and a post-offer medical examination, and in the case of police, a job suitability assessment, pursuant to the rules of the employment subcommittee. Such rules shall be developed in consultation with appropriate professionals and the chief of the department and, to the extent permitted by law, shall be determined by the employment subcommittee to be bona fide occupational requirements for appointment.
- (5) *Citizenship.*
- a. Police. Each candidate for original appointment to the police department shall be a citizen of the United States.
 - b. Fire. Each candidate for original appointment to the fire department shall either be a citizen or provide proof of eligibility to work in the United States.
- (c) *Promotional appointments:*

(1) *Promotion from successive ranks.*

- a. Police. Promotional appointments shall be made from successive ranks. No candidate shall be eligible for examination for his or her first promotional appointment until he or she shall have served a minimum of three (3) continuous years as a member in the department by the date of the written examination. No candidate shall be examined for a promotion to any other rank after the first promotion, until he or she shall have served a minimum of twelve (12) continuous months in the next lowest rank by the date of the written examination.
- b. Fire lieutenant; fire/paramedic lieutenant.
 - i. Members hired prior to January 1, 1997:
Promotional appointments shall be made from successive ranks within each division of suppression and emergency medical services and the time in service requirement shall mean time as a member in the division.
 - ii. Members hired on or after January 1, 1997:
Promotional appointments may be made between the suppression and emergency medical services divisions and the time in service requirement shall mean time as a member in the department.
 - iii. Time in service requirements:
 1. A member of the fire department hired prior to January 1, 1997, shall be eligible for examination for his or her first promotional appointment only after serving four (4) cumulative years as a member in the division in which promotion is sought; and
 2. A member of the fire department hired on or after January 1, 1997, but prior to January 1, 2002, shall be eligible for examination for his or her first promotional appointment after serving four (4) continuous years in the department;
 3. A member of the fire department hired on

or after January 1, 2002, shall be eligible for examination for his or her first promotional appointment only after serving six (6) continuous years as a member in the department.

4. To be eligible for promotion, the member must complete the time in service requirement by the date of the written examination.

c. Fire Captain; Fire/Paramedic Captain. After the first promotion, a member shall be eligible for further promotion only after serving a minimum of twelve (12) continuous months in the next lowest rank within the division in which promotion is sought, such time in service requirement to be met by the date of the written examination.

d. Licensing. Any member promoted to an emergency medical services position must maintain his or her paramedic license in Maine as a condition of employment in that position.

(2) *Other promotional appointments.* Upon recommendation of the City Manager, the employment subcommittee may provide by rule for special procedures or different competitive examination for eligibility for appointment to second-in-command in the fire department or the police department since such rank requires particular and exceptional qualifications of a scientific, managerial, professional, technical, or educational character and said rule may waive any requirement of this article in such cases.

(d) *Waiver.* During periods of difficulty in recruitment, or when the number of employees eligible for promotion to a particular vacancy is insufficient to permit meaningful competition, the employment subcommittee may vary the requirements of this section 2-59 of subparagraphs (c) (1) a., b. or c. by rule, which rule shall not be effective for more than ninety (90) days.

(e) *Rehire of former member by the same department.* A former member of a department may be rehired by that department to an entry level position only upon a regular appointment in the manner set forth for an original appointment and such person shall be required to serve a new working test period of twelve months. In the case of re-hire in the police department, the member shall not be eligible for promotion until after completion of three (3) years of service in the police department after date of rehire. Solely

in the case of a former firefighter or firefighter/paramedic who is rehired by the fire department, upon completion of the new working test period, said firefighter or firefighter/paramedic shall be credited with the actual amount of time served in the fire department in the position to which they are being rehired, said time to be credited solely toward fulfillment of the minimum period prior to eligibility for promotion. The date of re-hire shall serve as the date of hire for purposes of determining the applicable minimum service requirement prior to promotion in the fire department.

(f) *Transfers between departments.* Upon the written request of the member to the chief of his or her department, a member in good standing within either department may be transferred from one (1) department to the other to an entry level position, subject to the following conditions and limitations:

- (1) Both chiefs and the City Manager have approved said transfer;
- (2) The employment subcommittee has determined that the member meets the minimum qualifications for original appointment into the new department set forth in this section and the rules of the employment subcommittee establishing physical standards for said new department;
- (3) The benefits and wages of any member who is transferred under this subsection shall be determined prior to transfer, subject to any applicable collective bargaining agreements in effect, and/or to the agreement of the collective bargaining agent or agents;
- (4) The implementation and scheduling of all transfers, once approved, shall be wholly discretionary with the City Manager;
- (5) There shall be no right of appeal of any determination or decision of the chiefs or the City Manager which is made under this subsection;
- (6) Any member requesting a transfer may be required to take a polygraph examination and a job suitability assessment to the extent required of original appointments;
- (7) All transferees shall be required to serve a working test period as provided in section 2-67 below and must serve the minimum time required for eligibility for promotion as provided in this section 2-59(c)(1) above, except that the date of transfer shall serve as the date of hire.

(g) *Reinstatement after voluntary termination.*

- (1) *Entry level positions.* If a person holding the rank of police officer, firefighter or firefighter/paramedic, who has completed his or her working test period in the department, voluntarily terminates his or her employment in good standing, such member may, within thirty (30) calendar days from the effective date of the termination, request reinstatement to his or her former position. Such request shall be made in writing to the chief of the department, who shall forward such request with a recommendation thereon to the City Manager. The City Manager may, in his or her absolute discretion, grant or deny such request for reinstatement.
- (2) *Promotional positions.* If a person holding a rank above police officer, firefighter or firefighter/paramedic voluntarily terminates his or her employment in good standing, such member may, within thirty (30) calendar days from the effective date of termination, request reinstatement to an entry level position in the department from which they terminated. Such request shall be made in writing to the chief of the department who shall forward such request with a recommendation thereon to the City Manager. The City Manager may, in his or her absolute discretion, grant or deny such request for reinstatement.
- (3) *Effect of reinstatement.* Persons holding the rank of police officer, firefighter or firefighter/paramedic who are reinstated pursuant to this section and for whom a vacancy exists shall be afforded the rank, pay, grade and benefits previously held, except as otherwise provided in this section. Persons holding a rank above police officer, firefighter or firefighter/paramedic who are reinstated pursuant to this section and for whom a vacancy exists shall be returned to the rank of police officer, firefighter or firefighter/paramedic and shall be afforded a pay grade and benefits commensurate with the appropriate number of years served in the department. This subsection shall not be construed to mean that pay and benefits shall accrue during the period of separation from the department, nor during any periods of inactive duty such as those set forth in subsection (4) hereinafter. No accrued leave, sick leave, or other benefits for which the member was compensated upon termination shall be credited or restored to the member, unless such compensation is fully repaid by the member and accepted by the city. Retirement benefits shall be credited upon repayment as provided by governing law.

- (4) *Waiting list.* In those cases where no immediate vacancy exists at the time the privilege of reinstatement is granted, the member may be appointed to the first available vacancy declared by the City Manager; provided such vacancy is declared within six (6) months from the date of the reinstatement request. In the event that no vacancy is declared within said six-month period, the grant of reinstatement shall expire and the former member may be reinstated only upon a regular appointment in the manner set forth for original appointments under this division.
- (5) *No expectancy.* Nothing in this section shall be construed as creating or implying a right or expectancy of future employment in any member who voluntarily terminates his or her employment.

(h) *Temporary emergency medical services appointments.* Persons may be appointed from the entry level fire eligible list to a firefighter/paramedic position on a temporary basis, up to a maximum of twelve (12) months, to fill in for a leave of absence or for other similar reason as determined by the City Manager. The chief shall request a list of candidates who wish to be considered for such temporary appointment, such list to be made up in alphabetical order from the eligible list from those persons who are paramedic certified and who wish to be considered for a temporary appointment. The names of all those meeting the conditions shall be sent to the chief. Any person on the eligible list may decline to be placed on a list for temporary appointment and such person shall remain on the eligible list without prejudice to his or her opportunity to be considered for permanent appointment. Prior to appointment to a temporary position, the candidates shall undergo an oral interview in a form determined by the chief, background investigation and the fitness test contained in the firefighter collective bargaining agreement, but shall not be required to undergo the oral board, medical examination, physical fitness assessment in sections 2-65 and 2-66 below. A person who is appointed to a temporary position hereunder continues to be eligible for permanent appointment during the time of such temporary appointment. Such person is also subject to removal by the fire chief from the temporary position at any time for reasons stated in writing to the employee, the civil service commission and the Director. Removal from the position shall be treated in the same manner as removal during the working test period under section 2-67; further, such removal shall be deemed to be a disqualification resulting in removal from the eligible list pursuant to section 2-61(b) below. The person shall have the right to appeal removal from the eligible list only, as provided in section 2-61(b). Except as provided in section 2-61(c) below, in

the event the eligible list from which the person was temporarily appointed has expired at the time of removal from, or expiration of, the temporary appointment, said person shall not be placed on a new eligible list, unless that person took and passed the examination for that new list. Time served as a temporary hereunder shall not count toward completion of the working test period nor for seniority for promotion unless such person is appointed to the position permanently with no break in service, in which case such time shall be counted. Any permanent appointment of a person who has had a temporary appointment shall be made only after completion of all of the hiring requirements for permanent appointment.

(i) *Emergency appointments.* During times of emergencies affecting the health, safety and welfare of the public as declared by the City Council, all provisions of this division with respect to appointments to both departments shall be suspended until such time as the City Council shall declare the emergency terminated. Appointments to both departments during such periods of declared emergency shall be made by the City Manager and shall be effective only during the period of the declared emergency.

(j) *Consolidation of firefighting and emergency medical services.*

- (1) In general. Effective January 1, 1997, firefighting and emergency medical services were merged within the fire department as provided herein. In addition to the fire suppression ranks of deputy fire chief, fire captain, fire lieutenant and firefighter, there is a rank of deputy fire chief for emergency medical services, fire/paramedic captain, fire/paramedic lieutenant, and firefighter/paramedic. The position of paramedic was reclassified to that of firefighter/paramedic and that of paramedic lieutenant to that of fire/paramedic lieutenant, except as provided below for grandfathered employees, and each such new classification shall include full training in firefighting.
- (2) "Grandfathering" of paramedics. Paramedics who do not choose to take the firefighter examination, or who take it but do not pass it, will be grandfathered in the position held on January 1, 1997, so long as there is no break in service. Grandfathered paramedics can take the firefighter examination at any time it is offered after the spring of 1997, but are subject to all of the conditions and requirements for original appointment prior to reclassification as a firefighter/paramedic.
- (3) Elimination of paramedic positions. Paramedic positions will be eliminated as they become vacant.

Sec. 2-60. Applications.

(a) *Summary.* Appointments to a position in the police or fire department shall be made only after completion of an application and passing a job related aptitude capacity test, placement upon an eligible list, and satisfactory completion of all other hiring requirements of this subchapter for appointment.

(b) *Forms.* Applications for appointment shall be made on forms prepared by the Director and approved by the employment subcommittee. All applications shall be accompanied by such certifications and other satisfactory evidence as to character, education, and if applicable, citizenship, as the employment subcommittee may establish by rule, or which the employment subcommittee may reasonably require of any particular applicant to satisfy itself of compliance with the minimum requirements of this division for eligibility. All applications shall be accompanied by a written waiver of rights with respect to the state criminal history record information act (16 M.R.S.A. § 611 et seq.), sufficient to permit the chief of the department and the members of the employment subcommittee to gain access to such records.

(c) *Duration.* Applications shall be valid only for the next examination, except that in the case of applications for police original appointment, such applications shall be valid for 180 days and may be accepted at the police department on the same day as the on-line test.

(Code 1968, § 201.9; Ord. No. 89-80, 7-7-80; Ord. No. 299-86, 1-22-86; Ord. No. 288-90, 4-2-90; Ord. No. 117-95, 11-20-95; Ord. No. 184-97, 1-22-97; Ord. No. 121-99, 12-20-99; Ord. 174-05/06, 3-6-06)

Sec. 2-61. Disqualification of candidates for original appointment by employment subcommittee; by chief.

(a) *Disqualification by employment subcommittee.* The employment subcommittee may exclude any candidate for original appointment from any component of the hiring process, including the aptitude capacity test, refuse to certify him or her as eligible, remove him or her from any list upon sufficient evidence which demonstrates unfitness for duty, that there was a false statement made of a material fact on the application or during the hiring process, or that there was cheating during the hiring process or where there has been a conviction for a crime, or where there has been excessive or illegal use of intoxicating liquors or drugs, or

that the candidate is otherwise ineligible for appointment. Any candidate proposed to be excluded from any component of the hiring process or removed from any list shall be provided an opportunity to be heard prior to final action by the employment subcommittee.

(b) *Disqualification by chief.* The chief of the department may disqualify applicants for original appointment for failure to pass the polygraph examination, the background check or the physical fitness assessment or for reasons related to a temporary appointment under section 2-59(h) above or upon the unanimous recommendation of the oral interview board that the person not be further considered for appointment and stating the reasons for such recommendation. The chief of the department may accept, reject or modify such recommendation.

Written notice of said disqualification, and the reasons therefor, shall be provided to the applicant by such method as is specified by employment subcommittee rule, with copies thereof sent to the subcommittee and the Director. Upon disqualification by the chief, the applicant's name shall be removed from any list on which it appears. The applicant shall have the opportunity to appeal said disqualification to the employment subcommittee, which shall hold a hearing thereon, after which the subcommittee may uphold the disqualification or reinstate the person to the eligible list. The subcommittee shall provide the chief and the applicant with written notice of its decision and the reasons therefor.

(c) *Reinstatement to list.* If an applicant for original appointment is disqualified or removed from an eligible list by the employment subcommittee or by the chief of the department, and he or she appeals that decision and said appeal is resolved in favor of the applicant, he or she shall be reinstated to the eligible list on the basis of his or her original grade. In the event that the eligible list from which the applicant was disqualified has expired, and the applicant is not on the succeeding list in effect at the time of reinstatement, then the applicant shall be placed upon said list in effect at the time of reinstatement.

In the event an applicant is reinstated hereunder, said applicant shall have no right or entitlement to be considered for any vacancy which exists at or prior to the date of said reinstatement provided, however, that he or she shall have the same rights as any other applicant to be considered for any vacancy which is authorized to be filled on or after the date of reinstatement. The applicant shall be entitled to stay on any eligible list on which he or she is placed hereunder until the list expires or until the applicant voluntarily withdraws, is removed for cause or is hired. In the case of disqualification from a police entry level eligible list only, the applicant, if reinstated, shall be reinstated to the list only so long as

required to complete a total of twelve (12) months on the list from the date of initial placement on the list.

(d) *Rules.* The subcommittee shall provide rules governing the exercise of the power of removal or appeal therefrom, including the method of notice to be given under this section.

(Code 1968, § 201.10; Ord. No. 89-80, 7-7-80; Ord. No. 299-86, 1-22-86; Ord. No. 288-90, 4-2-90; Ord. No. 86-90, § 1, 9-5-90; Ord. No. 117-95, 11-20-95; Ord. No. 184-97, 1-22-97; Ord. No. 121-99, 12-20-99; Ord. No. 174-05/06, 3-6-06)

Sec. 2-62. Examinations.

(a) *Aptitude capacity test.* A job-related aptitude capacity written test to measure the skills and ability of the candidates for each rank of the police and fire departments shall be developed or recommended by the chief of the department and the director and approved by the employment subcommittee.

(b) *Holding of aptitude capacity tests.* The aptitude capacity test in each department shall be held annually for each rank, except as follows:

- (1) The test for entry level firefighter and firefighter/paramedic positions shall be held every two (2) years. The same aptitude capacity test shall be used for both the entry-level firefighter and entry-level firefighter/paramedic position, with the creation of a single eligible list, with paramedic certification noted on the list. Such certification may be provided at any time during the life of the eligible list, but must be provided prior to an applicant's name being sent to the chief on an eligible list for a firefighter/paramedic position;
- (2) The test for entry level police officer shall be an online test to be held as frequently as determined necessary by the police chief after consultation with the director or his or her designee. Each applicant may take the test up to twice in any rolling six month period, i.e. an applicant may take the test on January 15 and again on March 15, but not again until September 16. The applicant may not re-take the test while on the eligible list; and
- (3) Police captain tests shall be held only after the city manager has declared a vacancy in such position and authorized that it be filled.

(c) *Waiver of aptitude capacity test.*

- (1) Police entry level lateral transfers. The entry level aptitude capacity test may be waived for any police applicants for original appointment who are full-time sworn officers in another jurisdiction at the time of application and are certifiable by the Maine Criminal Justice Academy (referred to as "lateral transfers"). Evidence satisfactory to the police chief of such status must be provided by the applicant at the time of application and is subject to the approval of the chief. In the event of any dispute as to such waiver, the police chief shall make a final determination as to waiver and such determination shall be within his discretion and shall not be subject to appeal. In no event shall any such dispute delay or prevent giving the test as scheduled. Persons approved for a lateral transfer shall be added to an existing police entry level eligible list in alphabetical order upon the chief's approval and their status as sworn officers shall be noted on the list and the date of their placement on the list shall be included. The chief, at his or her option, may request a list consisting solely of all persons who are sworn officers to fill one or more vacancies prior to, or in place of, requesting the full eligible list.
- (2) The chief of either department may notify the director of human resources that it is not necessary to hold an aptitude capacity test because of lack of anticipated vacancies in that rank and, in the case of promotional tests, all affected unions agree in writing to said waiver.

(d) *Additional fire entry level aptitude capacity tests.* In addition to the foregoing, the chief of the fire department may request that an entry level aptitude capacity test be held prior to expiration of an eligible list and that candidates who pass said test be added in alphabetical order to the existing entry level eligible list. Said list, including any names added to such list during its life, shall expire at the original applicable time, unless extended as provided below. Candidates on the original entry level list shall not be eligible to re-take the test. The chief may request an additional entry level test for either suppression or for emergency medical services or for both;

(e) *Additional tests needed.* In addition to the foregoing, the chief of either department may request that an aptitude capacity test be held more frequently than provided herein or after

waiver under subsection (c)(2) above if either (i) the eligible list has expired pursuant to section (f) below, or (ii) it is anticipated that test will be needed in order to fill anticipated or actual vacancies. The director shall notify the chief of the department of an intent to hold the test no less than ten (10) calendar days prior to advertising said test. An existing eligible list, if any, shall terminate as of the date set by the employment subcommittee, unless names are to be added to an existing entry level list as provided in subsection (d) above. The foregoing shall not apply to the police entry level only test which may be held as needed.

(f) *Notice.* Applications for testing may be solicited at any time by the director. All such solicitations of applications shall be publicly advertised and held open for a minimum of fourteen (14) calendar days. In addition to, or in lieu of, the foregoing, applications for police entry level original appointment or entry level lateral transfers may be taken at any time or on an ongoing basis.

(g) *Administration of aptitude capacity test.* Except in the case of the police entry level test, the aptitude capacity test shall be administered by the director during which at least one subcommittee member will be available by telephone to assist the director if necessary. The police entry level test will be an online test administered by the police chief or his or her designee, with the director available by telephone to assist if necessary.

(Ord. No. 174-05/06, 3-6-06)

Sec. 2-63. Eligible list.

(a) *Establishing an eligible list.* The selection components used in the process to establish an eligible list shall be impartial and relate to the subjects which, in the opinion of the employment subcommittee, appropriately measure relative capacity of the persons examined to effectively carry out the duties and responsibilities of the position to which they seek to be appointed. Such components shall include:

(1) *Original appointments.*

- a. The eligible list for police original appointment will be created based upon a job-related aptitude capacity with a passing score of 70.
- b. Firefighter and firefighter/paramedics. The eligible list for fire original appointment will be created based upon a job related aptitude capacity test with a passing score of 70.

(2) *Promotional appointments.*

- a. Police. The eligible list for promotional appointment will be created based upon the following components:
 - i. A job-related aptitude capacity test with a passing score of 70.
 - ii. The candidate's last complete performance evaluation rating immediately prior to the date of the announcement of taking of applications for the written examination; and
 - iii. Seniority in the department as of the date of the written examination.
- b. Fire. The eligible list for promotional appointments will be created based upon the following components:
 - i. A job related aptitude capacity test with a passing score of 70.
 - A. a basic subsection on supervision and management;
 - B. a subsection on advanced fire suppression; and
 - C. a subsection on advanced pre-hospital medical care skills.

The same aptitude capacity test shall be used for either a suppression or emergency medical services promotional rank, with the creation of a suppression list and an emergency medical services list based upon the combined score of subsections A and B for suppression and subsections A and C for emergency medical services.

- ii. For employees hired prior to January 1, 2002, a base score of thirty (30); or
- iii. Effective July 1, 2005, for employees hired on or after January 1, 2002, a base score of up to a maximum of 30, based upon completion of officer candidate school modules, which modules and base score shall be subject to approval by the employment subcommittee, after

recommendation from the fire chief; and

- iv. Seniority in the department as of the date of the written examination.
- v. A member of the fire department who wishes to be considered for either a suppression or an emergency medical services promotion from the same examination must take and pass subsection A as well as both subsections B and C. Further, in order to take subsection C, a member must provide evidence of paramedic licensure in the state of Maine at the time of application. In the event a member takes both subsections B and C, but only passes one subsection (in addition to subsection A)², the member shall be included only on the eligible list for the subsection which he or she passed.

(b) *Scoring.*

- (1) *In general.* The scores of the aptitude capacity test shall be determined by an impartial scorer and delivered to the director who shall draw up and maintain the eligible list(s).
- (2) *Original appointment.* All applicants with a grade of 70 or above will be placed upon the eligible list in alphabetical order, with no numeric ranking. In the case of the police entry level eligible list, the date the applicant passed the test shall be posted on the list for the purpose of calculating the applicant's twelve months of eligibility under subsection (e)(2) below.
- (3) *Promotional appointment.* The passing score on the aptitude capacity test is seventy (70). An applicant's position on the eligible list will be determined as provided below. Each component of the promotional examination shall be scored separately.

[1] **Editor's Note**--So in original, Ord. No. 89-02/03, 11-4-02; but the passing score for the eligible list for each division is determined by the combined score of sub§§ A+B or sub§§ A+C, as applicable. See §2-63(a)(2)b.i., and §2-63(b)(3)b.

[2] **Editor's Note**--So in original, Ord. No. 89-02/03, 11-4-02; but the passing score for the eligible list for each division is determined by the combined score of sub§§ A+B or sub§§ A+C, as applicable. See §2-63(a)(2)b.i., and §2-63(b)(3)b.

- a. Police promotional scoring. A police applicant's position on the eligible list will be determined by the weighted sum of his or her score on the aptitude capacity test and the performance evaluation, plus seniority points. The score of the aptitude capacity test shall be given fifty (50) percent weight and the performance evaluation ratings shall be given forty (40) percent weight in relation to the total grade. Seniority will be calculated as one-half point for each year of service in the department up to a maximum of ten (10) points and added to the weighted scores of the test and the performance evaluation.
- b. Fire promotional scoring. A fire applicant's position on the eligible list will be determined by the weighted sum of his or her score on the aptitude capacity test and the base score, plus seniority points. Each subsection of the aptitude capacity test will be scored separately and there will be a separate eligible list for suppression promotions and for emergency medical services promotions. The score for subsection A will be added to subsection B to give an aptitude capacity test score for suppression, and the score for subsection A will be added to subsection C to give an aptitude capacity test score for emergency medical services. This combined score of the aptitude capacity test (A+B or A+C) shall be given sixty (60) percent weight and the base score will be given 30 percent weight. Seniority will be calculated as one-half point for each year of service in the department up to a maximum of ten (10) points and added to the weighted scores of the test and the base score. The performance evaluation ratings shall not be scored, but may be taken into consideration by the chief prior to appointment. Effective July 1, 2005, for employees hired on or after January 1, 2002, the base score of 30 will be replaced by the base score of up to 30 based upon the score for completion of the officer candidate school modules.

(c) *Performance evaluations.* The chief of each department shall develop the form of the performance evaluation record which shall be used by the police and fire departments, provided that such performance evaluation shall include an evaluation by the member's immediate superior or, in the absence of the immediate superior, by a superior officer having personal and substantial

knowledge of the member's performance, and the form of each evaluation shall be approved by the employment subcommittee.

(d) *Seniority.* Seniority in the department means total time served as a member of the department, and in addition in the police department, it includes time served as a police cadet to the extent provided by subcommittee rule.

(e) *Duration of eligible lists.*

(1) Except as provided for the police entry level eligible list, each eligible list shall be in effect for the following time period after the date on which it is first drawn up by the Director:

- a. Firefighter and firefighter/paramedic original appointment: 2 years;
- b. Fire lieutenant or captain appointment: 1 year; and
- c. Police sergeant, lieutenant or captain appointment: 1 year.

(2) The police entry level eligible list shall be a continuous list with persons being added and deleted, and shall not have an end date, but each person shall be placed upon the list by the director immediately upon passing the test and shall stay on the list for twelve (12) months from the date of such passage. The person's date of passage of the test shall be included on the list and that person's eligibility for appointment shall automatically expire 12 months after such date. By way of example, a person who passed the test on January 17, 2006, would be eligible to be considered for appointment through January 16, 2007.

(3) No more than one eligible list for a given rank shall be in effect at the same time. No rights shall vest in any person who is on an eligible list, and no names shall be carried over from one eligible list to another, except as provided in section 2-61(c) of this article.

(Code 1968, § 201.11; Ord. No. 89-80, 7-7-80; Ord. No. 293-80, 11-3-80; Ord. No. 10-84, 6-25-84; Ord. No. 299-86, 1-22-86; Ord. No. 31-87, §§ 1--3, 9-9-87; Ord. No. 288-90, 4-2-90; Ord. Sec. 2-64. Eligibility list for original appointment; Certified list for promotional appointment.

(a) *Eligible list provided for original appointment.* When requested to do so by the city manager, the employment subcommittee through the director shall furnish the eligible list of names from which an original appointment may be made.

(1) *Original appointment.*

- a. Fire. The list for original appointment shall contain the names of all the applicants on the eligible list in alphabetical order, with no numeric ranking, except the list for a firefighter/paramedic vacancy shall include only the names of those who have provided evidence to the fire chief of paramedic certification prior to the time the list is requested by the department.
- b. Police. The list for original appointment shall contain the names of all the applicants on the eligible list in alphabetical order, with no numeric ranking. Unless the chief only requests the sworn police officers on the list, the eligible list for police original appointment shall include the names of all those who are on the eligible list as of the date the director provides the list to the department to begin the hiring process. Police entry level testing may continue during the hiring process and if the chief cannot fill the vacancies from the list sent over by the director, he or she may request that any additional names be sent over as a supplemental list until such time as all vacancies are filled. Applicants whose 12 months elapse while they are actively participating in the hiring process may continue in the hiring process until it is completed, but will be removed from the eligible list upon completion of that hiring process.

(b) *Certified list for promotional appointment.* When requested to do so by the city manager, the employment subcommittee through the director shall furnish a certified list of names from which a promotional appointment may be made.

- (1) In general. The certified list for promotional appointment shall contain twice the number of names as there are vacancies to be filled, but in no case less than three names except as provided in section 2-64(2) below. Where the preparation of such a certified list cannot be made because the last two or more candidates received equal scores on the examination, the certified list shall include the names of all such equally

qualified candidates. The names certified shall be the highest on the eligible list. If any candidate whose name appears on the certified list is disqualified, or withdraws prior to the appointment to fill the vacancy being made, the commission shall promptly certify the next name from the eligible list. The newly certified candidate shall then be given every examination previously administered to persons on that certified list.

- a. Police. There shall be one eligible list maintained in weighted score order for each promotional rank and the certified list shall be made up from the eligible list in the weighted score order.
- b. Fire suppression/EMS lists. There shall be one eligible list maintained in weighted score order for each promotional rank in the fire suppression promotional positions and one eligible list maintained in weighted score order for each promotional rank in the emergency medical services promotional positions. Candidates must state at the time of application which subsections of the promotional examination they will take and present evidence of paramedic licensure in the state of Maine if they wish to take the advanced pre-hospital medical care subsection and be considered for an emergency medical services vacancy.

Upon request for a certified list for either a suppression or emergency medical services vacancy, or for both, the certified list shall be made up in weighted score order from those candidates who wish to be considered for the vacancy. Only those candidates who provided evidence of paramedic licensure in the state of Maine at the time of application for the promotion and passed the advanced pre-hospital medical care subsection of the examination shall be considered for an emergency medical services vacancy. Candidates on the eligible list for the available vacancy who have indicated that they wish to be considered for that vacancy will be put on the certified list based upon their weighted score order on that eligible list, assuming they met the paramedic licensure requirement in the case of an emergency medical services vacancy. By way of example, if a candidate is second on the suppression list and fourth on the emergency medical services list and

there is one suppression and one emergency medical services vacancy, that individual will be listed on the certified list for the suppression position but will not appear on the certified list for the emergency medical services vacancy.

- (2) *Insufficient names for certified list.* When there are insufficient names on an eligible list to make a certified list, that insufficient eligible list may be used if the chief and the city manager both request that it be used and the employment subcommittee determines that (i) holding of an examination would result in delay which would impair the ability of the department to meet its staffing needs in a cost-effective manner; or (ii) holding of an examination is not likely to result in additional names on the eligible list.

(Ord. No. 174-05/06, 3-6-06)

Sec. 2-65. Hiring process.

- (a) *Original appointment hiring process.*

- (1) *Selection criteria.* Prior to receiving the names on the eligible list, the department shall submit written selection criteria to the director for review and approval.
- (2) *Application review.* The department shall review all of the written applications and resumes of all applicants on the eligible list in order to select an appropriate candidate pool to continue in the hiring process, based upon the approved selection criteria. The review of applications and resumes shall be done by a review group composed of one employment subcommittee member, a member designated by the president of the affected unions, and three members appointed by the chief of the department from city personnel, which three members may include the chief or his or her designee. Pursuant to its affirmative action plan, the city has identified certain public safety positions as underrepresented as to both female and minority employees. So long as such underrepresentation is determined to exist, any applicants on the entry level eligible list for either department who have self-identified as a female or minority applicant will be included in that department's pool of candidates to interview.
- (3) *Physical fitness assessment.* Except as provided herein for applicants for police original appointment, all persons selected to be interviewed will be given the

physical fitness assessment as provided in 2-66(a)(2) below. In the case of police original appointments, the chief may accept substitution of a valid letter from the Maine Criminal Justice Academy stating that the applicant has passed the Academy's physical fitness assessment within the 12 months immediately prior to the date of placement on the eligible list. Notwithstanding the foregoing, the chief of each department reserves the right to give the physical fitness assessment to some or all of the entry level applicants prior to resume review, including but not limited to doing such assessments on the same day as the written examination. Failure to pass the assessment shall disqualify the applicant from consideration for hire for a minimum of thirty (30) days after the date of such failure, but the applicant shall remain on the eligible list, unless removed by the chief or the employment subcommittee pursuant to section 2-61 above.

- (4) *Oral Board.* An oral interview will be conducted of all persons selected who have passed the physical fitness assessment. The oral board will consist of one employment subcommittee member, a member designated by the president of the affected unions, and three members appointed by the chief of the department from city personnel, which three members may include the chief or his or her designee. The oral board shall evaluate the candidates based upon a "recommend/do not recommend" basis.
- (5) *Background checks.* Following the oral interview, all persons who were recommended will go through a background check, as provided in section 2-66(b)below.
- (6) *Conditional job offer.* Following completion of the above elements of the hiring process, the chief may make a job offer which shall be conditional upon the approval of the city manager, and conditional upon passing a medical examination, as provided in section 2-65 below. In addition, in the case of the police department, such job offer shall be conditional upon passing a polygraph examination and a job suitability assessment. The Director shall be notified of the chief's conditional job offer(s) in order to review the hiring process for compliance with the requirements of this ordinance.

(b) *Promotional appointment hiring process.* In addition to the written test, police evaluation score or fire base score, and seniority, the promotional hiring process shall include an oral board which will consist of one employment subcommittee member, a member designated by the president of each of the affected unions

and three (3) members appointed by the chief of the department from either city or non-city personnel, or a combination thereof, which three (3) members may include the chief or his or her designee. A job suitability assessment will also be done as provided in subsection 2-66(c) below.

(c) *No conflict.* In no case shall any member of the oral board be a candidate for the position nor a relative of a candidate.

(d) *Appointments from list.* Every appointment shall be made from an eligible list for original appointment or certified list for promotional appointment and the City Manager shall notify the civil service commission of appointments made.

(Ord. No. 174-05/06, 3-6-06; Ord. No. 298-05/06, 6-19-06 emergency passage)

Sec. 2-66. Physical standards and background investigation for original appointment; Job suitability assessment for promotion, for police lateral transfer and for police original appointment.

(a) *Physical standards for original appointment.*

(1) *Medical examination.* All candidates on the eligible list for original appointment shall undergo a medical examination by a physician specified by the employment subcommittee, said medical examination to be done only after a conditional offer of employment has been made to the candidate. The examining physician shall report his or her findings in writing to the subcommittee with respect to whether the candidate is physically capable of meeting the standards established by rule of the subcommittee. If the physician's report indicates a disqualification which can be corrected, the candidate's name shall be returned to the eligible list except that such person shall not be again considered for appointment until such time as he or she furnishes satisfactory evidence that the disqualifying condition has been corrected. If the physician's report indicates a disqualification which cannot be corrected and which prevents the candidate from performing an essential function of the position with or without reasonable accommodation, the candidate's name shall be permanently removed from the eligible list pursuant to section 2-61 above.

(2) *Physical fitness standards.* In addition to the medical examination, the employment subcommittee shall establish by rule minimum standards and procedures for a physical fitness assessment of candidates for original appointment, which standards shall be determined by the

subcommittee to be a bona fide occupational qualification or failure to meet them poses a safety hazard or cannot be reasonably accommodated in an individual case. Such physical fitness assessment shall be administered to each candidate by the department as provided in section 2-65(a)(3) above, and the result thereof shall be provided to the chief.

(b) *Background investigation for original appointment.*

- (1) Fingerprinting. Candidates for original appointment to either department shall be directed to the police department where they shall be fingerprinted. All candidates shall execute any necessary waivers for the background check. The fingerprints and records of each candidate shall be checked against the local police files, state police files and, if available, the files of the Federal Bureau of Investigation, in order to determine whether the candidate has been convicted of a disqualifying criminal offense.
- (2) Polygraph. Candidates for original appointment to the police department shall be required to submit to a polygraph examination to the extent such examination is permitted by law.

(c) *Job suitability assessment for promotional appointments, for police lateral transfers and for police original appointments.*

- (1) All candidates whose names appear on any certified list for promotional appointment may be required to be examined by a psychologist for job suitability, the results of which examination shall be used by the chief of the department and by the city manager. Examinations hereunder for promotional appointment shall be required every year, except that the chief may waive said requirement if such examination has been done within three years of the date of the candidate's appearance on a certified list, and the results are available for use by the chief and the city manager. The extent of said examination shall be determined by a psychologist on an individual basis and may be either pre-offer or post-offer, depending upon the content of the assessment, the psychologist's representation as to the purpose of the assessment and the department's preference.

To the extent permitted by law, the chief of either department may request that candidates on an eligible list undergo the job suitability examinations prior to drawing up a certified list if (1) doing so would

overcome scheduling difficulties for a candidate and the candidate agrees to such scheduling and (2) doing so is necessary to ensure a timely appointment process. Nothing herein shall change a candidate's position on the eligible list or give him or her any vested rights therein.

(2) Candidates for police lateral transfer shall be given a post-offer job suitability assessment.

(3) Candidates for police original appointment shall be given a post-offer job suitability assessment as required by the Maine Criminal Justice Academy.

(d) *Failure to pass polygraph test or job suitability assessment for police original appointment or job suitability assessment for police lateral transfer or job suitability assessment for police or fire promotional appointment.* Notwithstanding anything herein to the contrary, any candidate for police original appointment who fails to pass a polygraph test as required hereunder, or, in the case of a police original appointment, police lateral transfer or police or fire promotional appointment, who fails to meet the job suitability assessment pursuant to this section, shall be removed from any list on which the candidate appears pursuant to section 2-61 above, and shall not be eligible to retake the written test until two years from the date the eligible list from which the candidate was removed was made.

(e) *Failure to appear or complete hiring requirements.* Any candidate who fails to appear for, or to complete, any component of the examination process, or any other requirement of the hiring procedure, shall be disqualified as a candidate and removed from any list on which he or she may appear. Such disqualification shall be reported to the employment subcommittee by the Director. Upon request of the candidate, the employment subcommittee may, in its discretion, waive the disqualification herein if: (i) the subcommittee finds that the candidate had sufficient excuse for such failure; and (ii) it finds that any rescheduling necessitated by such failure can be accomplished in a timely manner and with no disruption of the hiring process. Any candidate disqualified hereunder may reapply for any succeeding examination.

(f). *Temporary withdrawal of applicants for original appointments.* Notwithstanding the foregoing, a candidate for original appointment may, for sufficient cause, temporarily withdraw from consideration for a limited period of time upon the prior approval of the chief of the department. Any denial of a request for temporary withdrawal by the chief may be appealed to the subcommittee which may grant the request if (i) the

subcommittee finds that the candidate had sufficient cause for such request; and (ii) it finds that any rescheduling necessitated by request can be accomplished in a timely manner with no disruption of the hiring process. A candidate who is permitted to withdraw temporarily shall retain his or her place on the eligible list but shall not be considered for hire, or in the case of promotional appointment, shall not be placed on any certified list requested during the period of temporary disqualification. "Sufficient excuse" or "sufficient cause" as used herein shall include, but not be limited to, death or serious illness of a family member; temporary illness or disability of the candidate; completion of an academic or training program, or similar excuse and cause.

(g) *Duration of certified list.* The certified list shall be limited to the vacancy or vacancies for which it was requested. The names of persons not appointed shall be returned to the eligible list from which they were drawn. Each candidate for promotion who is not appointed shall be given, upon request, a statement by the chief of the department as to the reason or reasons why he or she was not recommended for appointment; or if he or she was recommended, a statement from the City Manager as to why he or she was not appointed.

(Code 1968, § 201.12; Ord. No. 89-80, 7-7-80; Ord. No. 299-86, 1-22-86; Ord. No. 288-90, 4-2-90; Ord. No. 117-95, 11-20-95; Ord. No. 184-97, 1-22-97 Ord. No. 220-99, § 4, 3-1-99; Ord. Sec. 2-67. Working test period.

(a) Except as otherwise provided below for police lateral transfers or as otherwise provided for re-hires under subsection 2-59(e), every person receiving any appointment or transferring pursuant to section 2-59 above shall be tested for a working test period of one (1) year while occupying the position to which he or she has been appointed or transferred, except that the working test period for original appointees or transferees to the police department shall be two (2) years. The period of the working test shall begin immediately upon appointment or transfer. The City Manager may at any time during the working test period reject for reasons stated in writing any person appointed to a position in either department. The City Manager shall forthwith report to the employment subcommittee in writing each rejection during such working test period, stating the date of the rejection and the reason for the rejection.

(b) Any person rejected during the working test period shall have no right of hearing, or appeal under this article, and in the case of a promotional appointment, shall revert to the rank and pay status from which he or she was promoted. No original appointment shall be effective beyond the end of the working test period unless, within ten (10) days preceding the end of the working test

period, the City Manager shall report to the employment subcommittee in writing that in the opinion of the City Manager, the employee's work has been such as to indicate that he is willing and able to perform his duties in a satisfactory manner. Upon delivery of a favorable report from the City Manager, the appointment shall become permanent.

(c) A police lateral transfer who has prior service as a police officer at the time of appointment shall be credited with up to twelve (12) months of service toward completion of the department's two year working test period, provided, however, that eligibility for promotional appointment shall continue to be completion of three (3) years in the Portland police department. (Code 1968, § 201.13; Ord. No. 89-80, 7-7-80; Ord. No. 299-86, 1-22-86; Ord. No. 117-95, 11-20-95; Ord. No. 184-97, 1-22-97; Ord. No. 174-05/06, 3-6-06; Ord. No. 126-09/10, 1-4-10)

Sec. 2-68. Disciplinary action.

(a) *Action by chief of department.* Unless otherwise governed by a collective bargaining agreement, the chief of the department may, for cause:

- (1) Suspend without pay any member for one (1) offense for a period of not more than fifteen (15) working days, resulting in the loss of not more than three (3) weeks' pay;
- (2) Issue a written reprimand to be included in the member's personnel file.

Suspensions without pay shall not be for more than thirty (30) working days in aggregate in a calendar year. Upon imposition of any discipline, the chief shall immediately file with the employment subcommittee a written statement of the disciplinary action taken and the reason therefor. A copy of the statement shall be delivered to the department member in person or by mail at the member's last and usual place of abode. Actions of the chief taken within this subsection shall be final and there shall be no appeal therefrom under this article.

(b) *Action by subcommittee.* The employment subcommittee shall have the power and authority to demote, suspend with or without pay, and remove members of the police department and the fire department for cause and after presentation of charges and hearing. The subcommittee shall have the right to reinstate any such demoted, suspended or removed member of the police department or fire department after a hearing upon recommendation of the chief of the department to which the applicant seeks reinstatement, provided the City Manager joins in such recommendation for reinstatement.

(c) *Action by chief pending hearing.* Pending a hearing before the employment subcommittee, the chief of the department or the City Manager may, for the cause to be presented to the subcommittee, suspend any member, without pay, until the next succeeding meeting of the subcommittee; provided, however, that no suspension without pay pending a hearing by the subcommittee shall be effective for more than fifteen (15) days; no suspension without pay shall be effective unless it is either preceded by a filing of charges with the subcommittee or such charges are filed within ten (10) days thereafter, Saturday, Sunday and legal holidays excepted; and if the subcommittee determines that no disciplinary action is warranted, it shall provide that any salary which should have been paid during such period of suspension shall be paid to the member.

A member may elect to waive a hearing before the employment subcommittee and accept disciplinary action determined by the chief of the department. Said waiver shall be made in writing prior to the implementation of the discipline. Prior to waiving a subcommittee hearing, the member shall be provided with written notice of the charges against him or her, a brief statement of the evidence against him or her, and an opportunity for a hearing before the chief. Said hearing shall be informal in nature and shall not be an adversarial hearing, but the member may have counsel and/or a union representative present. The member shall have the right to confer with said counsel and/or representative during the hearing and to have them speak on his or her behalf. The hearing before the chief may be tape recorded upon the request of either party.

(d) *Notice; opportunity to respond.* Prior to suspending any member without pay under subsection (c) above, the chief of the department shall provide the member with notice of the substance of the charges against him or her, a statement of the evidence, and an opportunity to respond to said charges and evidence.

(e) *Hearings without formal charges.* Whether or not charges are filed with the subcommittee, the subcommittee shall within thirty (30) calendar days schedule a hearing to determine whether disciplinary action should be taken against any member where:

- (1) The member fails or refuses to testify before the subcommittee at any disciplinary hearing; or
- (2) The member becomes the defendant in a pending criminal proceeding, the conviction in which proceeding would be a disqualifying criminal conviction.

Either party may request a continuance of such hearing, which may be granted by the subcommittee upon such terms and conditions as it

deems appropriate. If the continuance is requested by a city official, the member shall receive his regular pay for the duration of the continuance. However, if a suspended member requests a continuance of the hearing, the member will not be paid for the duration of the continuance period requested by him.

(f) *No deferral of action.* Disciplinary action by the subcommittee for the same conduct which is the subject matter of a pending criminal proceeding shall not be deferred unless the subcommittee shall order such deferment at the request of the member charged, in which case the subcommittee may impose reasonable conditions, including but not necessarily limited to, a continuing suspension without pay.

(g) *Result of collateral criminal proceeding.* The acquittal of the member on criminal or civil charges involving material allegations which are substantially similar to the material allegations made in the disciplinary proceeding shall not require abatement of a disciplinary proceeding by the Subcommittee. A final judgment of conviction of a crime which is a disqualifying criminal offense shall operate as a disqualification from office, and, upon proof of such conviction to the subcommittee, such member shall be removed.

(h) *Procedure at disciplinary hearings.* All hearings of the subcommittee shall be deemed to be civil in nature and shall be informal in conduct. Such hearings shall be governed by this article and by any rules of practice and procedure adopted by the subcommittee. In the conduct of such hearings, the subcommittee shall not be bound to the technical rules of evidence. No informality in any proceeding or hearing or in the manner of taking testimony before the subcommittee shall invalidate any decision of the subcommittee. Disciplinary action shall be taken only upon a preponderance of the evidence.

(i) *Decision.* After hearing, the subcommittee shall make written findings of fact with respect to any specific allegations and shall determine whether such facts constitute cause for disciplinary action, and if the subcommittee determines that cause for disciplinary action exists, the nature of the disciplinary action to be taken. Such decision may be appealed as provided by law.

(j) *Expenses.* The subcommittee may, if it determines that charges made were without substantial justification, recommend to the City Council the payment of reasonable counsel and witness fees incurred by any member in the defense of such unjustified charges. (Code 1968, § 201.14; Ord. No. 89-80, 7-7-80; Ord. No. 299-86, 1-22-86; Ord. No. 288-90, 4-2-90; Ord. No. 117-95, 11-20-95; Ord. No. 184-97, 1-22-97; Ord. No. 174-05/06, 3-6-06)

DIVISION 4. POLICE CITIZEN REVIEW SUBCOMMITTEE

Sec. 2-76. Functions and duties.

(a) *Duties.* The duties of the police citizen review subcommittee are as follows:

- (1) To determine whether police investigations into citizens' complaints against police officers are thorough, objective, fair and timely by auditing the police department's internal affairs' unit investigative methods and procedures;
- (2) To report in writing to the City Manager periodically, but no less than annually beginning in January 2003, as follows:
 - a. on the subcommittee's determination as to the thoroughness, objectivity, fairness and timeliness of the police internal affairs' investigation of citizen complaints against police officers;
 - b. a statistical analysis of all cases reviewed, including an analysis of trends and patterns of complaints or results of investigations of complaints; and

- (3) To hold a public hearing at least annually to receive comments upon the police citizen complaint process.

- (4) Although it shall have access to individual internal affairs reports in order to review investigative methods and procedures, all reports of the subcommittee shall be done in such a manner that particular complainants, witnesses and officers are not personally identifiable.
- (5) Reports of the subcommittee shall be made available to the public to the extent consistent with the State Freedom of Access Act, 1 M.R.S.A. Sec. 401 et.seq.
- (6) To make suitable procedural rules, from time to time, for the conduct of its duties. Proposed rules shall be submitted to the City Council and shall become effective only when approved by the City Council. All such rules shall be recorded in the office of the City Clerk.

(b) *Complaints to be reviewed.* Effective with complaints completed, as defined in subsection (3) immediately below, on or after January 1, 2002, the subcommittee shall review the internal affairs investigation of the following citizen complaints against police officers:

1. complaints alleging excessive force;
2. complaints alleging civil rights violations;
3. complaints alleging conduct that would constitute a criminal offense; and
4. any other complaint which the subcommittee deems necessary to review in order to carry out its duties hereunder.

In addition to the foregoing, the subcommittee shall review any complaint upon request of the complaining party, subject to the January 1, 2002 completion date.

(c) *Timing of review.* All subcommittee reviews of complaints shall take place only after final disciplinary action has been taken and all appeals exhausted or the case has been finally closed with no disciplinary action taken.

(d) *Scope of authority.* The subcommittee shall conduct its duties solely to determine the thoroughness, objectivity, fairness and timeliness of the police department's internal affairs' methods and procedures in regard to citizen complaints against police officers, and the subcommittee shall have no power or authority to subpoena or call witnesses nor to impose or modify any disciplinary action, or lack of action, against any police officer. The subcommittee shall make no recommendations nor offer any findings or comments relative to any disciplinary action, or lack of action, against any officer.

VI, Divs. 1--3, §§ 2-201--2-206, 2-221 and 2-222 and 2-230, respectively, and both ordinances further provided that the provisions of § 1-14 of this Code would be applicable to this article.

DIVISION 1. GENERALLY

Sec. 2-201. Purpose.

The purpose of this article is to ensure the payment of funds due the city by requiring that persons who owe money to the city pay their just debts before undertaking any new activity involving the city.

(Ord. No. 274-90, 3-19-90)

Sec. 2-202. Definitions.

[For the purpose of this article the following definitions shall apply unless the context clearly implies otherwise:]

Indebtedness shall mean and include all amounts determined by the Director of finance to be then due and payable to the city (1) by the Payor, (2) by the person in whose name the license or permit was applied for, or (3) by any other person for which such person is financially responsible, and shall include without limitation amounts assessed as taxes upon real or personal property, amounts previously paid by check or credit and subsequently dishonored or

disputed, delinquent alarm fees, liens and charges, and all claims for money, whether liquidated or unliquidated.

Person shall mean any natural individual, firm, trust, partnership, association or partnership (hereinafter "entity"), and any other person operating as an alter ego of such entity or for whose debts such entity may be legally responsible.

Property shall mean and include any property, real or personal, within the city.
(Ord. No. 274-90, 3-19-90)

Sec. 2-203. Applicability.

The provisions of this article shall not apply to the following:

- (a) Debts subject to the jurisdiction of the bankruptcy court;
- (b) Debts which are in bona fide litigation in any court of competent jurisdiction;
- (c) Lease or contractual obligations requiring a different method of dispute resolution; provided, however, this article shall apply to delinquent amounts due on notes subject to foreclosure;
- (d) Payment for any permit where the building authority certifies that the work authorized thereunder is of an emergency nature to abate a substantial hazard to the public (health, safety or welfare);
- (e) Payments to the city as agent for the state or for any other person; or
- (f) Amounts which the Director of Finance determines should be the subject of resolution by a court of law rather than through the mechanisms provided by this article.

(Ord. No. 274-90, 3-19-90)

Sec. 2-204. Payments received.

(a) No license, permit or other thing requiring payment to the city shall be issued in reliance on any check, charge or payment made which is not in accordance with this article.

(b) All checks, charges and amounts tendered which are not in accordance with this article shall be refunded to the person

tendering payment if acceptance is expressly conditioned or restricted by endorsement or otherwise.

(c) The issuance of any license, permit or other thing in violation of this article shall not constitute a waiver of the provisions thereof with respect to the issuance of any other or renewal license, permit or other thing for the same person or project, or for any other person or project, and any license or permit inadvertently or erroneously issued in violation of this article shall be subject to revocation or cancellation on the basis that the fees required therefor were not paid.

(Ord. No. 274-90, 3-19-90)

Sec. 2-205. Debtor election.

No person who is indebted to the City of Portland in any amount may designate funds given to the city to be applied for any purpose other than the payment of such indebtedness, unless such person first:

Chapter 706. The costs of such arbitration shall be borne by the city unless the arbitrator determines that the request for arbitration was made for the purpose of delay, in which case the arbitrator shall award double the amount in dispute or five hundred dollars (\$500.00), whichever is greater, to the city. The alleged debtor shall thereafter cooperate to the extent necessary to obtain an adjudication and satisfy the award and/or any judgment entered thereon; or
- (d) Except in the case of amounts owed for taxes, liens or judgments, elects in writing to have the dispute resolved in accordance with the provisions of Title 14, M.R.S.A. Chapter 706, by a neutral arbitrator selected by written agreement of the person and the Director of Finance or, if there is no agreement, by the American Arbitration

Association using the Rules for Commercial Arbitration. In either case, such person shall agree in writing to pay all fees and expenses thereof, and such agreement shall be irrevocable, and the appointment is reasonably likely to be accepted on such terms. The alleged debtor shall thereafter cooperate to the extent necessary to obtain an adjudication and satisfy the award and/or any judgment entered thereon.

(Ord. No. 274-90, 3-19-90)

Sec. 2-206. Content of arbitration agreement.

- (1) The Finance Director certifies that funds are available for such procurement; and
- (2) The bid is awarded and the contract or purchase executed as the result of a competitive process, which shall mean either by competitive bidding or request for proposals.

(c) *Competitive bidding.* Competitive bidding, as used herein, shall include, at a minimum, prior public notice of the procurement, including publication in a newspaper of general circulation in the City, unless the Finance Director determines in a particular case that publication elsewhere would be reasonably expected to provide effective competition; solicitation of sealed bids based on identical specifications; and intent to award the bid to the lowest qualified and responsible bidder who meets the specifications.

(d) *Competitive request for proposal.* The request for proposal competitive process shall consist of the following:

- (1) *Request for proposals.* A request for proposals shall be issued identifying all significant evaluation factors, including price or cost, and their relative importance or weighting.
- (2) *Solicitation.* Proposals shall be solicited from an adequate number of qualified sources to permit reasonably competition consistent with the nature and requirement of the procurement. The request for proposals shall be published at a minimum in a newspaper of general circulation in the city, unless the Finance Director determines in a particular case that publication elsewhere would be reasonably expected to provide effective competition.
- (3) *Evaluation.* The Finance Director shall provide mechanisms for technical evaluation of the proposals received, determinations of qualified and responsible proposers for the purposes of further written or oral negotiations, and

- (5) *Award.* The contract shall be awarded by the City Manager to the qualified and responsible proposer whose proposal and the result of the subsequent negotiations are determined by the City Manager to be in the best interest of the city.

(e) *Exceptions to required competitive process.* The requirement of a competitive process set forth in subsection (b) above may be waived by the City Manager, in his or her discretion, if one (1) or more of the following conditions are met, and the Finance Director has certified that funds are available for such procurement:

- (1) Such procurement does not equal or exceed the aggregate sum of ten thousand dollars (\$10,000.00) and the procurement is done in accordance with the Finance Director's rules for said procurement; or
- (2) The City Manager determines in writing that the procurement of such services, supplies and/or materials is of such an emergency nature that the requirements of a competitive process cannot be followed, in which event the Manager shall specify such efforts in aid of a competitive process which he or she determines to be feasible under the circumstances; or
- (3) In connection with any project funded or reimbursable by state or federal sources, such source requires a different procurement process to be followed and procurement is effected through or in accordance with such process; or
- (4) The procurement is through an award by any governmental entity or group of governmental entities, which award is the result of a competitive process by said entity or group; or through any public or private group purchasing program; or

- (5) There has been a competitive process but no bids or proposals were received or the City Manager determines that the bids or proposals received are unreasonable or in excess of the funds available for such procurement or not independently reached in open competition. In such cases, he or she may negotiate a contract if he or she determines:
 - a. That it is not feasible to re-solicit bids or proposals again; and
 - b. Each qualified and responsible bidder or proposer, if any, has been notified of the intention to negotiate with the bidders or proposers, starting with the lowest qualified bidder or proposer first and proceeding consecutively until a contract acceptable to the city is reached; or
- (6) The procurement is of computer equipment, investment services, appraisal services, repair parts, travel, transportation, island transportation, maintenance contracts and similar purchases to the extent specified by rule of the Director of Finance; or
- (7) The procurement is of legal services, including but not limited to lawyers, paralegals, court reporters and other persons necessary to provide legal services to the city, said procurement to be after consultation with the corporation counsel; or

(Ord. No. 376-90, §3, 6-6-90; Ord. No. 131-00, 12-18-00)

Sec. 2-304. Brand names.

- (c) The solicitation is in furtherance of a policy of standardization of such supplies or materials; and
- (d) The City Manager determines that there is a sufficient number of dealers in said brand-name supplies or materials in the area of the solicitation to provide a reasonable expectation of competition for the bid.

(Ord. No. 376-90, § 3, 6-6-90; Ord. No. 131-00, 12-18-00)

Sec. 2-305. Rights of the City.

The City Manager may waive any informality or irregularity in any bid or proposal received and shall have the right to reject any or all bids or proposals received for whatever reason he or she deems in the best interest of the City.

(Ord. No. 376-90, §3, 6-6-90; Ord. No. 131-00, 12-18-00)

(c) All rules and regulations promulgated hereunder shall be effective upon approval by the City Manager. A copy of all such rules and regulations shall be kept on file, at a minimum, in the office of the Finance Director.

(Ord. No. 376-90, § 3, 6-6-90; Ord. No. 131-00, 12-18-00)

(Ord. No. 376-90, § 3, 6-6-90; Ord. No. 131-00, 12-18-00)

Sec. 2-308. Contractor or consultant qualifications.

(a) The City Manager or the Finance Director may inspect or inquire into the qualifications of any bidder or proposer to determine whether they are qualified and responsible bidders or proposers. The failure of any bidder or proposer to promptly supply information or submit to such inspection shall be grounds for a determination that the bidder or offeror is not a qualified and responsible bidder or proposer. The right to inspect shall include the plant or business of a contractor, consultant or any subcontractor or subconsultant under any procurement contract awarded or to be awarded by the city and the right to audit the books and records of any person seeking to become a contractor, consultant or subcontractor or subconsultant under any procurement contract with the city. The City Manager or Finance Director may establish rules and regulations for the qualification or prequalification of bidders or proposers. Such rules and regulations may apply to any procurement methods as set forth in this section, or may be specifically promulgated for any particular procurement situation.
